Sir,

As informed by our MDO(Montecarlo) and Mine Manager, Barjora (North) Coal Mine, WBPDCL that yesterday (27.05.2021) at about 3.00 PM approximately 10-15 persons (Including outside the chamber) of Monohar Village (Majhpara) came to Baguli office under the leadership of Bivash Khan, Kedar Bauri and others.

This mass of people suddenly started violence with "Talwar" for 20-30 minutes and destroyed office property and garden of MDO. They also threatened our Mine Manager of WBPDCL (Mr. Suresh Kumar) at his chamber with filthy language and thus tried to terrorise the situation for their own interest. Which we came to know that they were demanding for water by water tanker. But it was well known that there was no electricity to supply PHE water. MDO was agreed to supply water by tanker in case of emergency but they were not ready to hear anything and started violence.

Their motive was not good and may happen any types of un-towards incidents as they were equipped with one Talwar etc.
This incident was informed to your goods office immediately over telephone for seeking help, and described the tense situation prevailing at Baguli office with related video footage.

Police intervened into the matter and a brief discussion was made at Baguli office with MDO officers, WBPDCL officers and Bivash Khan. Thereafter, those violent persons left the site.

It is requested to look into the matter and take appropriate action so that this type of violent incidents does not recur in future and the work of WBPDCL (A West Bengal Govt. Enterprise) may work smoothly.

Yours Faithfully
