Sub: Complain (F.I.R) against some unknown persons for my wrongful interception  
snatching and punched with fist and blow on dated 17/10/2017 at 10 a.m.

Respected Sir,

I, Ashok Kumar Mishra, Aged 51 years, working in Commercial department holding  
designation Sr. A.G.M.(Commercial) at Rohit Ferro Tech Ltd. ,having its plant at Bishnupur in Bankura  
district.

On 17/10/2017 at 9.30 A.M. as usual course of my job and responsibility I was on the way to  
my office. Suddenly, some goons/ unknown persons stopped the car in which I was going to office at  
Dwarika More and they wrongfully detained me. That time the reason was unknown to me. When I  
asked their identification and reason for my wrongful detention they become furious by using  
unparliamentary words and showed their assaulting action. Thereafter one person among them put  
his hand into my shirt's front pocket and looted Rs.18,000/- ( Rupees Eighteen Thousand Only) which I  
kept for purchasing on the occasion of Dipawali. Another person in the mob snatched gold chain from  
my neck weighing 32 grams amounting to rupees Rs. 30,000/- ( Rupees thirty Thousand ) approx  
(PURCHASED IN 2006). In the mean time some person started slapping and kicking me on my face  
near my left ear and rest of the goons started punching me with their fist blow and leg. As a result I  
fell down but they continued their hitting and beating. Their intention was to murder me on the spot.  
I was even unable to call any one for help. Our H.R.Head contacted I.C. Bishnupur over phone and  
requested him to send the force immediately to rescue the trapped staff and myself, accordingly my  
life was saved by the police officer. The said police officer escorted me up to the RFTL office and he  
was with me in my chamber for about half an hour. Before this incident our entire plant staff along  
with Managerial Staffs vehicle were also stopped intercepted and detained by these mob with dire  
consequences.

My comprehension about this incident tells me that this incident took place due to some  
reason which was related to our company. Our company's production has stopped since last 3 years  
and now management is in process to retrenchment of contractual labour. So to stop that process  
they acted in such a way that this incident took place. There were many unsocial elements that were

involved in this mob and harmed me by slapping, punching, kicking and by looting me as mentioned above. The reason behind my thought about happening of this incident is that, just after reaching in office with the said police officer, some political leaders along with some village people and labour of Dwarika, came to my chamber and they started talking about their demands. Their demand were to stop the retrenchment, early payment etc.

Some persons were identified on the spot in the gathered mob. Names and their addresses are given below collected from our records:--
