Memo No. - ICCCL/864

Dated- 25/11/17

To,

Indas Police Station
Indas – Bankura

Sub: Lodging of FIR U/S 135(1)(a) and 136(1)(a) of Electricity Act-2003, Amended in 2007 against Accused, Sri Jiban Ghosh S/o. Sri Badal Ch. Ghosh Of Vill. Parikshapara, P.O.-Sahaspur, P.S. -Indas, Dist.-Bankura.

Sir,

I Sri Sushanta Garai, S/O.- Sri Anil Garai, A.E. & Station Manager of Indas C.C.C. of WBSEDCL. Getting information from some reliable source, on 24.11.2017, between 16.50 hrs. to 17.30 hrs. I, along with Sri Tapas Kumar Mishra, TSH. of Indas CCC. and technical person of mobile van of Indas ccc, inspected the commercial premises, namely "Ramkrishana Ayurved Bhaban" of the said accused person, located at Sahaspur (Dongalan More), P.S.- Indas, Dist.-Bankura.

During Inspection it was observed that, Sri Jiban Ghosh was enjoying electricity from an unauthorized service connection as well as unauthorized meter also, which was installed at the said premises. During inspection he could not able to show any authentic document of his application or quotation money deposition receipt of WBSEDCL for getting new electric connection. Verbally he explained that Sri Manik Majhi S/O.- Uttam Majhi of Vill.- Karerdanga, P.S.-Indas has effected that connection.

In this regard it may be noted that Sri Manik Majhi is neither a staff of WBSEDCL nor an authorized person of Indas CCC of WBSEDCL. The meter which was found at that premises was not issued from Indas CCC office of WBSEDCL.

I prepared inspection reports and assessed the consumption of load which was detected as 0.135 K.W. for commercial consumption.

I directed the technical persons of the mobile van to disconnect the service line from WBSEDCL electric pole side and to remove the meter from that premises. Accordingly they remove the meter after disconnecting the service line

I seized the meter along with portion of service cable connected with the meter, by preparing seizure list.

I left the premises with other members of inspection team at about 17.30 hr.

On 25.11.2017. the accused person submitted one declaration about his connection history. This declaration is self explanatory and enclosed herewith for ready reference for investigation.

It is well evident that the said accused persons were committing theft of electricity as such they are liable for prosecution u/s -135(1) (a) and 136 (1) (a) of **Electricity Act-2003, Amended in 2007.**

Kindly treat this complaint as FIR, Investigate the matter and start a case against the accused.

Encl: i) Original Copy of the Inspection reports.

ii) Original Copy of the seizure lists.

iii) Produced seized articles.
