Sub:- Complaint.

Sir,

I, ASI/467- Utpal Ggosal, presently posted at Bankura Police Station do hereby lodge complaint against 'some' (150/200) unknown irate miscreants of Agaya, Belbani and adjacent villages under Narrah G.P., PS & Dist.-Bankura, to the effect that on 19.10.18, at 20.05 hrs, I/C, Bankura PS called me over phone (when I was on Durga Puja L&O duty at Lalbazar Puja Pandal) and instructed me to go to PS. He also instructed me over phone to go to Belbani area on SH-9 (Durgapur Road) with the "stand-by" force from PS as some problems are there over the issue of immersion of Goddess Durga. Accordingly with the said stand-by force myself left for Belbani area. On 19.10.18 at around 20.45 hrs we reached Belbani and found a huge traffic congestion on SH-9 (a long queue of vehicle on road). ASI Kankan Ghosh, the road mobile officer with force (vide CC. No. 3263, dt. 18.10.18) and ASI Soumitra Bandyopadhyay, the special mobile officer with force were already there since last approx two hours for the above immersion duty. I talked with them and came to learnt that since long some mob blocked the road forcefully in the name of 'immersion' though till time all procession crossed the road towards immersion spot (ghat). They were also armed with long bamboo sticks, lathi, rod etc. They were also bursting fire crackers with loud noise on the High way. We all proceeded to them and requested them to 'free' the road as buses, small vehicles were there and many passengers including ladies and children were in that vehicles. But they did not pay any heed to us. We again and again requested them, but in vein. In the mean time around 21.30 hrs one vehicle (scorpio), bearing number WB-68X/3902 came to the spot and the boarders requested the mob in to allow them to go. The mob attacked the vehicle, tried to malhandle the driver and caused damage to the vehicle, we some how rescued the passengers and driver of the vehicle. We tried to talk with the leaders of the mob (if any) but no body was ready to hear us. Just at the same time of pick-up van bearing number WB-67B/2594 came to the spot, the mob again attacked the vehicle and the driver and damaged the same. We again rescued the driver. In the mean time, while we were rescuing the driver and the vehicle the mob attacked us; started pelting stones, bricks, wine bottles etc. one of them attacked ASI Kankan Ghosh and tried to assault him with a bamboo stick on his head but ASI Kankan Ghosh some how moved his head and got hit on his shoulder with bamboo stick. The accompanying force sustained some injury from stone, bricks etc. Finding no other alternative, we chased the mob. The mob fled away in the open place by both side of Highway in darkness and started pelting stones, bricks aiming us. As it was dark and no light was there we came backward to avoid causality of the common people in the vehicles also to save live of selves and damage to the public property. Again the mob gathered on the road and blocked the road. They also broke the "rail guard barrier," (which were placed from our end there for smooth traffic movement). They were shouting in bengali - "मार शाला पुलिशके, आज हाडबो ना काडके, ओदर गाडीते आखन लागबो". They were continuously threatening us with dire consequence at the highest pitch. After this while I/C, Bankura PS with force came there and started proceeding to the spot, they left the place and fled away to darkness. After that barrier etc. were removed from the road and the vehicular movement started, after long approx 3 hours. As per direction and feeling un-easy as ASI Kankan Ghosh was sent to BSMCH, Bankura for necessary medical aid.

Now I pray I case under proper section of Law may kindly be started against this unruly, irate miscreants as they have violated the provision of the existing Law of the Land.
