Memo No: ICCCL/1693

Date: 17.03.2020

The
Officer-In-Charge,
Indas Police Station
Indas – Bankura

Sub: Lodging FIR U/S 135(1)(a)(b) of Electricity Act-2003, Amended in 2007 against accused, Shek Ataul, S/o.- Shek Khoda Newyaj of Village Ausnara, P.O. & P.S. – Indas, Dist. - Bankura

Sir,

I, Sri Sushanta Garai, S/O Sri Anil Garai, A.E. & Station Manager of Indas C.C.C. of WBSSEDCL being empowered by Electricity Act 2003 amended in 2007, do here-by lodge complaint against accused Shek Ataul, S/o Shek Khoda Newyaj of village Ausnara, P.O & P.S- Indas, Dist.- Bankura for committing theft of electricity by tapping the incoming service cable before meter position of his service connection bearing Consumer ID 200976309 & Meter no. L3422946 which is the property of WBSSEDCL.

Receiving the information from reliable sources, between 13.45 hour to 14.10 hours, I, Sri Sushanta Garai, AE & SM of Indas CCC, along with Sri Utsa Dey, JE (Gr-II), Indas CCC and S&LP team, Bankura Regional Office WBSSEDCL, Sri Pradyumna Purohit, Sr. TSH, S/o Late Prasanta Purohit of Indas CCC and other technical person attached to Indas CCC inspected the premises of the said accused person. During inspection it was detected that the accused person was committing theft of electricity by tapping the incoming service cable before the meter position and found that 2 nos single core PVC cable was connected at tapping point and outgoing of the said cable(s) was connected to Main Switch which was kept in off position. Though there was an installed meter at his domestic premises having consumer ID: 200976309, he was using the hooking line for the consumption of his domestic premises by bypassing the metering circuit and thereby stopping the actual consumption of the installed meter.

I prepared inspection reports and assessed the consumption of load which was detected as 0.52 K.W.I directed Sri Pradyumna Purohit to remove the hooking wire from the LTOH line and also to disconnect the tapping cable. Accordingly with the help of mobile van staff, he did the same.

I seized a portion of hooking wire of the accused as a sample by preparing seizure list duly signed by him and left the consumer premises with the inspection team.

It is well evident that the said accused person was committing theft of electricity as such he is liable for prosecution u/s - 135(1)(a) & (b) of Electricity Act-2003, amended in 2007.

Kindly treat this complaint as FIR.

Enclosure:

- 1) Photocopy of Notice
- 2) Original Copy of the Inspection report.
- 3) Original Copy of the seizure list
- 4) Seized articles with labels.
