Barikul Ps

Sir,

In producing herewith seized articles viz 1) .303 Live Ammunition-28 Rds, 2) 12 Bore Live Ammunition -14 Rds, 3) 12 Bore Empty case 18 Rds, 4) 9 MM Live Ammunition – 9 Rds, 5) Cordex Wire- 2 Mtrs, 6) 315 Bore Live Ammunitions – 9 Rds, 7) Gun Powder- 100 Gm, 8) Electronic Detonators – 40 (Disposed at the Spot) and 9)one broken green colour plastic container seized under proper seizure list and beg to submit my written complaint against unknown persons.

The fact is that today at about 10:05 hrs. a telephonic information was received at Barikul Ps that at about 09:15 hrs. In course of a site digging work at Dhajuri village, Barikul GP one plastic container with wire like objects inside was unearthed and initially it appeared to be some explosive device hidden inside the earth since long back. This information was diarised at Barikul Ps vide GDE No.269 dt. 15/07/20. On getting this information and as per your kind instruction myself and other officer and force of Barikul Ps had left for working out the information vide CC No. 234 dt. 15/07/20. On reaching at Dhajuri village I identified the spot which is a jungle attached land owned by one Ram Sardar S/O Lt Iswar of Dhajuri. I found one green colour old plastic made container was lying at a trench digged by the labours who were working there under local Panchayet's Ushar Mukti Scheme. At about 11:00 hrs Senior Officers of Bankura District Police and Officers and Force of 169 G Coy of CRPF accompanied by Bomb Detection and Disposal Squad led by Sri Amit Kr. Gupta , Assistant Commandant CRPF arrived at the spot. The Plastic container was broke open by the BDDS team after taking due precautions and recovered the above mentioned articles from within the said container. At about 13:00 hrs I seized all the articles under proper seizure list in presence of witnesses 1) Ram Sardar(50) s/o Lt Iswar and 2) Naren Sardar (51) S/o Lt Krishna both of village Dhajuri. Since seized gun powder and Electronic Detonators were highly explosive in nature and cannot be kept at PS malkhana ,those were disposed of by the BDDS team in presence of witnesses and senior officers.

I enquired about the recovery and whole incidence locally and it appeared that those ammunitions and explosives were kept hidden under the soil by unknown miscreants with intent to carry out subversive activities in this area. There is history of Maoist activities at Dhajuri and surrounding areas about Nine years back. Several incidents of Maoist activities causing loss of life and damage of the Government properties were reported from this area during that period. It is evident from the local enquiry that the recovered huge quantity of ammunitions and explosives were hidden under the soil by unknown miscreants with a view to carry out subversive activities by endangering public safety and tranquillity at any opportune moment.

So I pray that a case against unknown miscreants may kindly be registered and necessary legal action may kindly be taken against them.

Enclosed : Seizure List in original

Yours Faithfully

Satyajit Mahanty
