Sub: Complaint against Smt. Sarala Saini, Housekeeping staff, Khatra SDH

Sir,

This is for your kind information that today around 4:00 p.m. I got a call from the 'On duty' nursing staff of the Maternity Ward. She informed that Smt. Sarala Saini, a Housekeeping staff of Khatra SDH engaged by an outsourced agency, tried to remove the Cu-T (birth control/ family planning device) from a patient in the maternity ward of this hospital, namely Smt. Sharmila Hembram of Radhagobindpur, Fulkusma, Raipur, Bankura which caused severe pain, palpitation, sweating, and per-vaginal bleeding to the concerned.

I send the Nursing Superintendent, the Facility Manager, and the Facility Consultant Quality control of this hospital to investigate the incident. They informed me that the patient had stated that, Smt Sarala Shaini had inserted her hand in her vagina, which has caused severe pain and bleeding, and uneasiness.

I then enquire the mother of the patient and she stated that her daughter was admitted today to the Maternity ward of this hospital with signs and symptoms of abortion. In the afternoon one lady with blue Saree (Nursing staff identified her as Smt Sarala Saini) told her that she is a competent person who can solve the problem of her daughter and took her daughter to the toilet of the ward and inserted her hand inside her daughter's birth-passage and since then her daughter has been experiencing severe pain and bleeding from the private part. The mother of the patient, namely Smt. Basanti Hembram of Dharampur, Sarenga, Khatra, Bankura has lodged a written complaint. I informed the incidence to Dr. Payel Das Mandal, the On-duty Obstetrician, and requested her to provide immediate medical care to the patient.

Received on-24/09/22 at-05.15 hrs. had been started Khatra women PS case no-18/22

The act of Smt. Sarala Saini, Housekeeping staff, Khatra SDH as alleged by the complainant, is not at all permissible at this Hospital. She is not a competent person to perform any kind of medical procedure at this Government Hospital and she is not entitled to do that. She is not a medical staff of this hospital. This act of a non-medical person certainly endangers the patient's life.

Previously I got a few verbal complaints about the collection of money against a few unethical services at this ward. In this incident, such foul play may have happened.

Smt. Sarala Saini might involve in such practice malpractice and her act may cause serious injury to the patient and may be threatening.

So I request you to conduct a thorough inquiry of the incident and take suitable action to prevent such incidents in the future to ensure patient's safety.
