Sub: Complaint against Theft

Dear Sir,

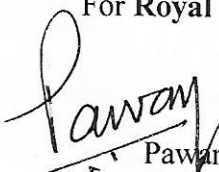

We the Royal Touch Fablon Private Limited writing to you to draw your kind attention about our concern that, we have installed some iron angle to surround/barricade the factory area with barbed wire. On 11<sup>th</sup> of this month, some miscreants came in the darkness of the night and cut some angels with gas cutters and took these with them. Same thing happened last night (on 12<sup>th</sup>) also.

The miscreants took advantage of the fact that the area is outside the factory boundary and there was not enough light. Our installed camera also fails to capture footage in the dark.

So our request please take the matter seriously and take appropriate steps to ensure this does not happen again.

Thanks & Regards,

For Royal Touch Fablon Pvt Ltd

General Manager
